MONTHLY RECAP

The Gingerbread Decorating was a huge hit. We were able to host many families in the cafeteria and had others pick their kits up to decorate at home. Everyone enjoyed the snowflakes hanging in the hallway as they entered the cafeteria and the hot cocoa bar! It was a perfect way to kick off the holiday season. Thank you to our volunteers! Without your help we couldn't make events like this happen.

Parent Volunteers: Jeanne Gilbert, Deepthi Pangulari, Louise Adamo, Brian Rickard, Joe Picinich & Maria Dey

Student Volunteers:

MONTHLY RECAP

The students had a great time shopping at our **Holiday Boutique** this year. A big thank you to all the parent volunteers and to the fourth graders that were able to come down and help our pre-K and kindergarteners shop. They were so helpful for the younger kids. Our profit this year was \$2,000.

We couldn't have done it without you thoughtful volunteers!

Calling all volunteers! For the month of March, we are organizing a NYS sponsored reading program called Pick a Reading Partner, also known as PARP. The program is designed to engage and include families in fostering the love of reading in children's lives. We are looking for assistance with decorating the stage and bulletin boards, planning the kick off event, organizing an after-school community event, arranging an in-school assembly, and collecting prizes for the top readers. The first committee meeting will be on Wednesday, January 17th at 8:00pm. Please help us make this great for all the students!

Pre - K Teacher

This month, the staff
spotlight shines on
Mrs. Bailey
who has gone above and
beyond in her role.
Here's a few reasons she was
chosen:

"She truly is someone
special. She has the greatest
ability to keep control of a
classroom while gaining the
respect of everyone in it!"
